

((السيرة العلمية))

الاسم: نهاده حسن محمد الفرجي

موقع العمل: الجامعة التقنية الوسطى / كلية التقنيات الصحية والطبية / بغداد

الشهادات: بكالوريوس تقنيات صناعة الاسنان / ماجستير تقنيات صناعة الاسنان / دكتوراة تقنيات صناعة الاسنان

اللقب العلمي: استاذ مساعد

التخصص العام: تقنيات الاسنان

التخصص الدقيق: تقنيات صناعة الاسنان

المجال البحثي: علوم المواد وهندسة الأنسجة

الدراسات العليا		الدراسات الاولى		المواد الدراسية التي قام بتدريسها في الدراسات ((الاولية / العليا))
زراعة الاسنان	1	زراعة الاسنان	1	
تعويضات الوجه والفكين	2	الطقم الكامل	2	
		الطقم الجزئي	3	
		تعويضات الوجه والفكين	4	
		المادة السنية	5	
		تشريح الاسنان	6	
		طرق البحث	7	

عدد الاشراف على طلبة الدراسات العليا	ماجستير	دكتوراه
	2	-

عدد البحوث المنشورة	محلي	عالمي
	13	2

المؤلفات والكتب وبراءات الاختراع	

Conference for Doctoral Academy at the University of Sheffield, UK, 2016.	1	المشاركة في المؤتمرات
Machining Science Industrial Doctorate Centre at the Advanced Manufacturing Research Centre (AMRC) in Rotherham, UK, 2016.	2	
2nd Year Postgraduate Poster Presentation Competition at the University of Sheffield, UK, 2017.	3	
Engineering Research Symposium at the University of Sheffield, UK, 2017.	4	
19 Annual White Rose BiTEG Work in Progress Meeting at the University of Leeds, UK, 2017.	5	
IADR Meeting in London, July 2018, UK.	6	
5th TERMIS World Congress-2018 Kyoto, Japan (September 04, 2018 - September 07, 2018).	7	
The NEXT BUILT 22 International Conference "Challenges for the NEXT Gen BUILT environment" was held in Bologna, at Palazzo d'Accursio on May 13 th , 2022.	8	
The 2nd International Workshop on Renewable Energy and Water (IWREW) 2022.	9	
Biomat-Sheffield conference on 27th March 2023	10	
2nd Al Hikma International Conference on Natural and Applied Sciences (HICNAS2023), 26-27 August 2023 / Baghdad, Iraq. Al Hikma University College, Baghdad, Iraq 2023.	11	

((Academic CV))

Name: Dr. Nihad Hasan Mohammed AlFuraiji

Employer: Middle Technical University/ College of Health and Medical Techniques/Baghdad

Academic degrees: BSc. Prosthetic Dental Technologies / MSc. Prosthetic Dental Technologies /PhD. Prosthetic Dental Technologies

Academic title: Assistant Professor

Research areas: Materials Science and Tissue Engineering

Teaching Experience	Undergraduate studies		Post-graduate studies	
	1	Dental implants	1	Dental implants
	2	Complete denture	2	Maxillofacial prosthesis
	3	Partial denture		
	4	Maxillofacial prosthesis		
	5	Dental materials		
	6	Dental anatomy		
	7	Research methods		

Post-graduate supervisions	Master's program	PhD program
	2	-

Publications	Local Journals	International Journals
	13	2

Books and patents		

Participation in conferences	1	Conference for Doctoral Academy at the University of Sheffield, UK, 2016.
	2	Machining Science Industrial Doctorate Centre at the Advanced Manufacturing Research Centre (AMRC) in Rotherham, UK, 2016.
	3	2nd Year Postgraduate Poster Presentation Competition at the University of Sheffield, UK, 2017.
	4	Engineering Research Symposium at the University of Sheffield, UK, 2017.
	5	19 Annual White Rose BiTEG Work in Progress Meeting at the University of Leeds, UK, 2017.
	6	IADR Meeting in London, July 2018, UK
	7	5th TERMIS World Congress-2018 Kyoto, Japan (September 04, 2018 - September 07, 2018).
	8	The NEXT BUILT 22 International Conference “Challenges for the NEXT Gen BUILT environment” was held in Bologna, at Palazzo d'Accursio on May 13 th , 2022.
	9	The 2nd International Workshop on Renewable Energy and Water (IWREW)2022
	10	Biomat-Sheffield conference on 27th March 2023
	11	2nd Al Hikma International Conference on Natural and Applied Sciences (HICNAS2023), 26-27 August 2023/ Baghdad, Iraq. Al Hikma University College, Baghdad, Iraq 2023
